CIK No. 0001641281

Dear Dr. Schatzman:

We have reviewed your draft registration statement and have the following comments. In

some of our comments, we may ask you to provide us with information so we may better

understand your disclosure.

Please respond to this letter by providing the requested information and either submitting

an amended draft registration statement or publicly filing your registration statement on

 $\ensuremath{\mathsf{EDGAR}}.$  If you do not believe our comments apply to your facts and circumstances or do not

believe an amendment is appropriate, please tell us why in your response.

 $\label{eq:commutation} \mbox{ After reviewing the information you provide in response to these comments and your }$ 

amended draft registration statement or filed registration statement, we may have additional  $\ensuremath{\mathsf{A}}$ 

comments.

Draft Registration Statement on Form S-1

Overview, page 1

We note your disclosure that your lead product candidate has a favorable safety and tolerability profile, favorable preclinical safety profile has a and has preclinical data [that] showe[s] compelling anti-tumor efficacy. We also note your disclosure related to PD-L1 that you "observed superior anti-tumor efficacy." Determination as to a drug's safety and efficacy are solely within the purview of the FDA or other regulatory body. As your product candidates have not received FDA approval, it is premature to suggest or imply that they are safe or effective. Please revise your disclosure here and any similar statements throughout the prospectus accordingly.

2. We note your disclosure that in your preclinical studies you "observed complete

regression and durable anti-tumor effects" and "promising anti-tumor effects." We also

note other similar conclusory statements throughout the filing regarding your preclinical

studies. Please revise the descriptions of your preclinical studies in the prospectus

summary and throughout to focus on the specific factual details of the studies, including

quantitative information regarding the range of results observed. In addition, in your

prospectus summary, clarify that the preclinical trials involved mice and non-human primates. Similarly, in your Business section, please revise to include more detailed descriptions of each preclinical trial conducted, including the number of tests conducted, the number of mice or non-human primates used in each test and the range of results observed. Our Pipeline, page 4 Please revise the pipeline chart to include individual columns for each of the three phases of clinical development. Please also advise what you mean by "Registrational" or, alternatively, please remove. Implications of Being an Emerging Growth Company, page 6 Please provide us with supplemental copies of all written communications, as defined in Rule 405 under the Securities Act, that you, or anyone authorized to do so on your behalf, have presented or expect to present to potential investors in reliance on Section 5(d) of the Securities Act, whether or not you retained, or intend to retain, copies of those communications. Please contact the staff member associated with the review of this filing to discuss how to submit the materials, if any, to us for our review. Risk Factors Risks Related to Our Business Operations, Employee Matters and Managing Growth Our business, operations and clinical development plans and timelines, page 49 We note your disclosure on page 49 that your "clinical trials have been and may continue to be affected by the COVID-19 pandemic." Please revise the referenced risk factor to discuss in greater detail how your clinical trials have been affected. Risks Related to This Offering and Our Common Stock Our amended and restated certificate of incorporation , page 60 We note your disclosure on pages 60 and 163 that your amended and restated certificate of incorporation will include exclusive forum provisions that do not apply to suits brought to enforce a duty or liability created by the Exchange Act. Please ensure that the exclusive FirstName LastNameRandall C.
